MINERS' CAPS

Not Affected by Either Fire, Water or Oil

Made of heavy-weight "Special Shrunken" white duck, flannel lined. The visor is made of heavy material covered with white duck, and will not be affected by water or dampness. The lamp-holder is constructed of 2X tin, interlined with vulcanized fibre, making it very durable. This lamp-holder is the one that has been adapted for the carrying of acetylene lamps by all the acetylene lamp manufacturers.

No. 97—Assorted 3 each 5½, 6½, and 7; 1 each 7½, 7¼ and 7½. Weight, per dozen, 3 lbs. Per dozen\$3.00
